

The Fallen Heroes of September 11, 2011

In Coney Island, there is a stunning memorial to the courageous first responders who lost their lives on September 11th, 2001. The Brooklyn Wall of Remembrance has published this special 108 page hard cover, full color tribute to those 417 firefighters and police officers is also the story of ordinary people who banded together to build an extraordinary monument to their courage and devotion to duty.

The picture-filled book contains not only this inspiring story, but the portraits of all 417 first responders with comments from families and friends. NYC's first major 9/11 memorial is unique for having both the names and portraits.

As you look at the faces of these men and women, you'll understand the great love and pride New Yorkers, and the country have for them. Not only does Brooklyn remember, Brooklyn Never forgot.
